Right: Smallmans in 1895

Robert Smallman came to the Tualco Valley south of Monroe in the 1850s and established a homestead of 160 acres in 1870. In 1883 he reported having 60 acres under cultivation, cutting 50 tons of hay and having 330 sheep, 25 cattle and 2 horses. 70 acres of the original homestead is now the Frohning Dairy Farm.
