All dogs and cats that are owned, kept or maintained within any city limit or in any of the unincorporated areas of Snohomish County are required to be licensed and must display a current license at all times. A pet license is your pet's ticket for a free ride home should it become lost. If you move during the year, be sure to notify this office to update your pets records with your new address and phone.

Microchip your altered pet and receive a 50% discount on your license fees—industry standard chip and documentation required to receive fee discount on altered pets only effective 1/1/2009.

There is a county-wide leash law and all dogs must be on a leash and under the control of a competent person at all times when off private property. Be a responsible pet owner.
