

Snohomish County Council

NEWS RELEASE

For Release: February 22, 2007

Contact: Councilmember Dave Somers (425) 388-3494

NOTICE OF NEWS EVENT

WHO: Snohomish County Council Planning and Community Development Committee, representatives of the county's Department of Emergency Management, Planning and Development Services Department, Public Works Department, Surface Water Management, Coordinated Diking District officials and others

WHAT: Review of the devastating floods of November 2006.

WHERE: Snohomish County Council,
3000 Rockefeller Ave. Eighth Floor
Jackson Board Room
Everett, WA 98201

WHEN: **Tuesday February 27, 2007 9:00 a.m.**

WHY: The November 2006 floods that hit Snohomish County were among the most catastrophic for the area in the last 100 years.

Councilmember Dave Somers, Chairman of the County Council's Planning and Community Development Committee, has requested a review of the event from the county departments involved in the response and aftermath of this major flood event.
