

## ADVANCED REGISTERED NURSE PRACTITIONER—PSYCHIATRY

**\$91,468 to \$111,143 per year (full-time) + Benefits**

Full or Part-time Position

*Open until filled*

The Snohomish County Sheriff's Office Corrections Bureau, located in Everett, Washington, has one full-time or part-time position open in Mental Health for a Psychiatric ARNP

### A JOB WITH DIVERSITY

*The Corrections Bureau houses the largest adult psychiatric population in Snohomish County. Inmates incarcerated at the jail require care for acute and chronic mental illness as well as drug and alcohol dependence and other medical conditions.*

*The Psychiatric ARNP works closely with the entire medical team, the Mental Health Professionals on staff, and corrections officers and liaisons with the community providers to stabilize inmates and facilitate their transition back to the community.*

*The position is responsible for:*

- *Prescribing and monitoring medications*
- *Conducting face to face assessments*
- *Reviewing suicide attempts*
- *Consulting with jail mental health professionals and medical staff*
- *Periodic review of standing orders and mental health protocols*

The successful candidate will enjoy autonomy and responsibility consistent with the scope of licensure. He/she will become part of a knowledgeable, dedicated medical and mental health staff with over 225 years of combined correctional experience.
