

# ELECTRONIC PLAN REVIEW

## available for Mechanical, Plumbing, and Re-roof Permits

The [MyBuildingPermit.com](http://MyBuildingPermit.com) web site allows for the application and issuance of over-the-counter (OTC) mechanical, electrical, low voltage electrical, plumbing, and building re-roof permits. **The site has been redesigned and enhanced to offer a new service – electronic submission of applications that require plan review.**

If your **mechanical, plumbing, or re-roof application** requires plan review, you can now -

- fill out the application
- upload electronic plans and supporting documents
- pay your invoices
- securely exchange documents throughout the review process
- download your issued permit and approved plans

***all online!***

For more information on the plan review process and functionality specific to plan review applications, please go to [www.mybuildingpermit.com](http://www.mybuildingpermit.com) and visit the [Help Page](#).

Snohomish County's permit processing staff is ready to help you with any questions concerning the online process. Contact staff at 425-388-3311, [ePermittech@snoco.org](mailto:ePermittech@snoco.org), or visit the Permit Center.
