**County Executive Aaron Reardon to Kickoff Snohomish County's  
First Major Update of Unified Development Code**

UDC Update Project Kickoff Event  
Wednesday, April 11, 7:00pm – 8:30pm  
Snohomish County Campus, Admin. East, Meeting Room 1  
3000 Rockefeller Avenue, Everett

The Unified Development Code (UDC) impacts all areas of growth and development within unincorporated Snohomish County, from preserving open space to the types of uses allowed within different zones.

The UDC Update Project Kickoff Event will provide the public with an advance opportunity to learn how the UDC Update Project will affect the future of Snohomish County and how citizens can play a role in the decision-making process. The County's UDC Update Project team will be on hand to answer questions and hear citizens' comments and suggestions.
