

49th Ave SE & 57th Ave SE (228th St SE to 238th St SE)

Sidewalk Construction Begins in June

Work will begin in June to build sidewalks on the west side of 49th Avenue SE and 57th Avenue SE between 228th Street SE and 238th Street SE. The sidewalks will be built within the public right-of-way. **If you have any landscape items in the area that you would like to save, please remove them as soon as possible.**

During construction there will be single lane closures, Mondays through Fridays, during the day. Work on 57th Avenue SE will begin first, to be finished by the time school begins in the fall.

We apologize in advance for the inconvenience and ask for your patience during construction.

Printed May 2010 on recycled paper.
