

57th Ave. SE Construction Update

Construction continues along 57th Ave SE between 228th St SE and Kokanee Elementary School. One lane is closed until approximately 6pm each day, Monday through Friday. Flaggers are directing traffic.

Work will continue beyond the first day of school on September 1st. Parents are urged to allow for extra time and to carpool whenever possible. To help with congestion, please turn right when exiting the school. Please refer to school correspondence for procedures and details about the BBQ/Open House on Monday, August 30th.

Grinding of the road is scheduled for September 7th, with paving on September 8th and 9th. Parking will not be available on 57th Ave SE until after work stops each day sometime after 6pm.

Striping of the road and wrapup work will follow. Work is weather dependent.
