**RE: 198<sup>th</sup> Street SE New Alignment**

Dear Resident/Reviewer:

Snohomish County proposes to construct a road improvement project in your neighborhood. The proposal would construct a new east-west roadway between 35<sup>th</sup> Avenue SE and Jewell Road. The skewed intersection of York Road and Jewell Road would be limited to right turns only.

The purpose of this letter is to inform you of: (1) some minor changes to the proposal, as outlined in the enclosed Environmental Addendum, and (2) a revised Determination of Non-Significance (DNS) has been issued.

Snohomish County Public Works hosted an open house on November 6, 2008, to involve the community in the development of the project. Newsletters were also mailed to area residents in July, September, October, and December 2008, in February 2009, a postcard in April 2010. A recent newsletter was mailed to area residents in January 2011. For more information please visit [www.snoco.org](http://www.snoco.org) and search for: "198<sup>th</sup> Place SE /35<sup>th</sup> Ave SE".

Comments on this project must be submitted by February 28, 2011, to Stephanie Cotton at 3000 Rockefeller Avenue, M/S 607, Everett, WA 98201 or by email: [stephanie.cotton@snoco.org](mailto:stephanie.cotton@snoco.org). For more information, you can contact me at 425.388.3488 extension 4687.

Sincerely,

Stephanie Cotton, Senior Environmental Planner  
TES/Environmental Services Section
