

Highbridge Road Closure

August 10th - for 3 weeks

Highbridge Road will be closed to through traffic east of Ricci Road (15300 block) from Monday, August 10 for approx. 3 weeks. Snohomish County Road Maintenance will repair damage caused by winter floods. After 3 weeks repairs should be at a point that will allow for one lane to be opened to alternating traffic which continues until the end of September. Thank you for your patience.

For county road projects visit www.snoco.org, search "roads central".
