

Highbridge Road Closure

August 10th - for 3 weeks

Highbridge Road will be closed to through traffic east of Ricci Road at milepost 3.65 (15300 block) beginning Monday, August 10 for approximately 3 weeks. Snohomish County Road Maintenance will be repairing road damage caused by winter floods. After 3 weeks repairs should be at a point that will allow for one lane to be opened to alternating traffic. Single lane, alternating traffic will continue until the end of September.

We realize the closure will cause a significant unavoidable inconvenience for residents and will open the road to through traffic as soon as is safely possible. Thank you for your patience.

For information about other county road projects visit www.snoco.org, search "roads central".
