

Newberg Road must close for culvert replacement

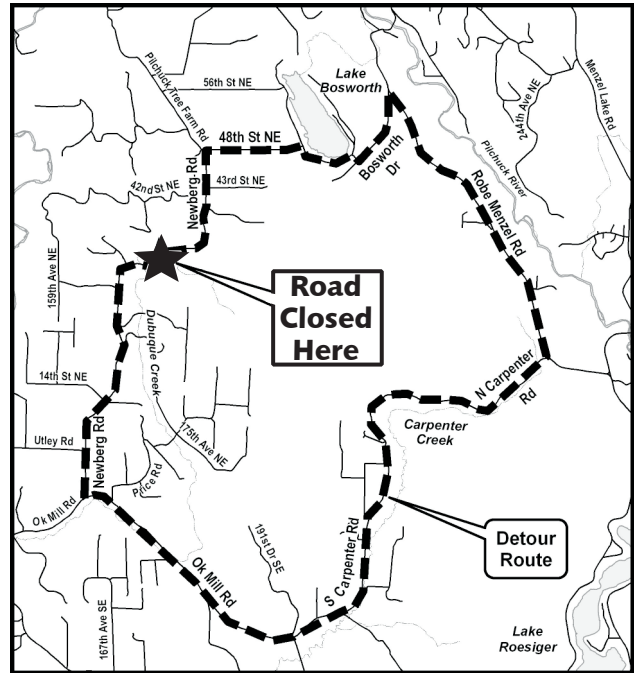

Dubuque Creek culvert is located along Newberg Road approximately 2.5 miles north of OK Mill Road and south of 48th Street NE. It is a wooden box structure that has deteriorated over time and needs to be replaced.

A full road closure is needed to complete the work and will be in effect for approximately two months between July 6 and September 4, 2009. The stream will be temporarily diverted to protect fish while the old culvert is removed and a new one installed.

The detour route will be along OK Mill Road, North Carpenter Road, Robe-Menzel Road - Bosworth Drive - Lerch Road - 48th Street NE.

If you have questions leave a message at (425) 388-3959. Someone will return your call within the next business day or e-mail questions to transportation@snoco.org

For information about other projects affecting travel on Snohomish County roads visit the county's Web site www.snoco.org and search "roads central."
