1996-2000

SNOHOMISH COUNTY, WASHINGTON

NPDES STORMWATER MANAGEMENT PROGRAM

1996 - 2000

This document was prepared pursuant to the requirements of the National Pollutant Discharge Elimination System (NPDES) permit and State waste Discharge Permit for municipal separate storm sewer discharges issued to Snohomish County under the Federal Clean Water Act, 33 U.S.C. 1251 et seq., for the portions of the

Island / Snohomish Water Quality Management Area

the

Skagit / Stillaguamish Water Quality Management Area

and the

Cedar / Green Water Quality Management Area

located within the unincorporated area of Snohomish County, Washington.

Robert J. Drewel, Snohomish County Executive
