

Snohomish County Register of Historic Places

Register Application

Submittal of the completed application will begin the process of evaluation for listing a property or district on the Snohomish County Register of Historic Places. Please fill out the application as thoroughly as possible and attach any supporting documentation. If an item does not apply, please enter "NA" rather than leave a blank line. Please type or print clearly.

Return this application and supporting documentation to:

Snohomish County Historic Preservation Commission
Snohomish County Planning and Development Services
3000 Rockefeller Ave. M/S #604
Everett, WA 98201-4046

I. Property Identification

Property Name

Property Address

Street:

City, Zip Code, County:

Property Owner:

Property Owner Address (if different than above):

Legal Description of Property:

II. Descriptive Information Regarding Property

Classification of Property:

- Private
- Public-local
- Public-State
- Public-Federal

Historic Use of Property:

Current Use of Property:

Category of Property:

- Building Structure Object District
- Cemetery/burial site Historic site (site of an important historic event)
- Property of cultural importance
- Cultural or historical landscape (habitation, agricultural, industrial, recreational)

Age of Property: (Property must be at least 50 years old; or, in the event that it has exceptional historical significance, 40 years old)

If property is not 50 years old, list characteristics which contribute to exceptional historical significance:

Property Integrity: Please check all that apply

____ Location (building, structure, or object has remained on same site for 50 yrs. or more)

____ Materials (materials used in the building, object, or structure are either original or have been reproduced to replicate, as closely as possible, the original materials.)

____ Design (design of a building, object, or structure, or the buildings contributing to a district, have remained unchanged for 50 years or more.)

____ Workmanship (Building exhibits original workmanship; or if repairs or reconstruction of a building, structure, site or object have been or need to be carried out, the methods used as similar to the original construction methods as possible.)

Ordinance Criteria Met: Please check all that apply

(Explain exactly how one or more of the criteria (A-K) below is met in an attachment.)

A. ____ Property is associated with events that made an important contribution to national, state, or local history.

B. ____ Property embodies architectural characteristics of a distinctive and defined type, period, style or method of design or construction.

C. ____ Property is an outstanding work of a recognized designer, builder, or architect.

D. ____ Property exemplifies or reflects elements of Snohomish County's cultural, social, economic, political, aesthetic, engineering or architectural history.

E. ____ Property has an association with the life of a person of documented importance in national, state, or local history.

F. ____ Property yields, or is likely to yield, important archaeological information related to history or prehistory.

G. ____ Property has been removed from its original location, but has significant and documented architectural value, or is the only surviving building or structure associated with a historic person or event.

H. ____Property is the birthplace or grave of a historical figure of documented importance.

I. ____Property is a cemetery which derives historical significance from age, design features, or association with historic events or possesses cultural relevance.

J. ____Property is a building that has been reconstructed in a historically accurate manner on the original site.

K. ____Property is an example of folk architecture and design which is creative and unique but which does not fit into formal historical or architectural categories.

In addition to meeting one or more of the above criteria application may be strengthened by the following factors: (Explain how in an attachment.)

1. Property has outstanding potential for teaching, research, tours, and public education regarding Snohomish County history.
2. Property is a good example of historic landscape and environmental conservation features and processes.
3. Property has unique and historic features and processes having future relevance to Snohomish County.
4. Property has compelling and irreplaceable bio-archaeological features (of plant or animal origin) and/or evidence of changing land forms.
5. Property exemplifies historic man-made land-form design and utilization, evolution, and compliance with legislated statutes.
6. Property has compelling features of prehistoric topography, and/or biological evolution for research and public enlightenment.

Present Condition of Property:

Architectural Style of property:

Materials of Construction:

Foundation

Walls

Roof

Acreage:

Site characteristics: [Place summary statement here, with more detailed information attached]

Site Access: please describe site access, restrictions, etc.

Further descriptive information property owner wishes to provide: [Place summary statement here with more detailed information attached]

1. To what extent has the original appearance of the property been altered? : [Place summary statement here with more detailed information attached]

2. What architectural features contribute to the historical character of the property? : [Place summary statement here with more detailed information attached]

Maps

Please attach a detailed map of property with boundaries and access clearly identified.

Supporting Documentation
